What Are You Reading?

Tabitha in class 4 recommends reading 'The Spy who Loved School Dinners' by Pamela Butchart. "This book is great because one day a girl from France called Mathilde came to an English school and was on a spy mission to find out their secrets. When Zach, Maisie and Jodi found out that Mathilde was on a spy mission they had to stop her before it was too late!"

Thrive
(verb)

To grow or develop well. To prosper and flourish.

"The children thrived on their learning opportunities."
