### **Conversion to Academy with Truro and Penwith Academy Trust**

Dear parent or carer,

Following the consultation meeting on Wednesday 27<sup>th</sup> January I would now like to provide an opportunity for all parents and stakeholders to share their thoughts and opinions on the proposed conversion of Nanledra School to Academy Status.

We will also be consulting with members of the community to hear views and establish if there is any substantial or significant objection that would require the Board of Governors to reconsider.

The rationale for this conversion was explained in the letter I wrote to you on 17<sup>th</sup> November 2015. This is available on our website along with the other consultation documents should you wish to review them.

Please find attached a short questionnaire which, if you are able to complete, we would be grateful to receive at school by 21<sup>st</sup> March 2016.

In the meantime I am, as always, available to answer questions and hear your views.

Yours sincerely

Rick Gill
