Nancledra School

Issue 34

Our year 6's had the privilege of singing to the wives and partners of the G7 leaders at the Minack theatre this Saturday. They sang parts of Ocean World which they will be performing later in July at the Minack. Up until the last moment we were not allowed to know who we were singing to due to security. The children sat in their places and then a representative from Downing Street introduced who they would be meeting.

The children sang beautifully and we are so proud of them. Afterwards our children got to meet the guests and spent a lot of time talking to Jill Biden and Carrie Johnson. The children asked some brilliant questions! Well done Year 6!!

Dear parents & carers,

Following the governments announcement this week to delay the lifting of Covid restrictions, we are now expecting our school to be organised in two "bubbles" until the end of this term.

All current restrictions on access and operations will continue until further notice. We are disappointed that we will not be able to bring all the children together again this term, although we do understand the caution, especially with the surge in local cases.

We will continue to run trips and visits this term, and in July we will have two separate sports days for the children, but unfortunately we will not be able to invite families again this year.

Hopefully, we can continue educating all of our children in school until the end of term, however it is possible that if we have a positive Covid case we will have to ask some of our children to isolate, in which case we will provide learning at home as we did in the spring. Please help us keep safe by following the current guidelines.

Thank you, as always, for your support.

Yours sincerely

*Rick Gill*

### Next week's visits to Carnyorth

We have had to make some changes to our planned visits to Carnyorth next week. **Class 4 will now be going on Wednesday 23 June** and class 3 on Thursday 1 July.

Class 4 child will need to **arrive at school at 8.20am** (no earlier) on Wednesday as the coach will be leaving at 8.30am. The children will be back at school for 4.30pm.

Please ensure that your child has plenty of water, healthy snacks and a packed lunch with them. They do not need to wear their school uniform but must wear sensible clothing (plus sun hat, sun cream and a coat). The children will be doing lots of walking and as such should have appropriate footwear - sturdy training or walking boots (no sandals or thin lightweight shoes).

### Farmers Market in St Ives

Thank you very much for the kind donations of plants we raised £110 at St Ives Farmers market last Thursday.

It was great to see the positive reaction from the general public when they saw the pictures of the children's poly tunnel at the school and some of the children helping their parents with the planting of the plants we sold :)

We are attending another market on the 24th June and we think succulents and herbs will be very good sellers so if anyone has cuttings they can pot up for us to sell that would be great. Please email [diannesmith@outlook.com](mailto:diannesmith@outlook.com) if you need any more information.

Many thanks

FONS.

### Diary Dates ...

28 June	Class 4 Ocean World dress rehearsal at the Minack Theatre (leaving school at 8.30am)
28 June	Class 3 to visit Kresen Kernow and Heartlands (due back at school at approx. 3.30pm)
1 July	Class 3 to visit Carnyorth all day (coach leaves 8.30am)
6 July	Y6 Secondary schools transition day (all schools)
7 July	Additional Y6 transition day at St Ives School
13 July	6.00pm class 4 Ocean World performance at the Minack Theatre
15 July	Class 4 Surf Day at Gwithian (due back at school at approx. 3.25pm)
16 July	Year 5 to spend the day at St Ives School
20 July	Last day of the summer term (school to close early - time to be confirmed at a later date)

### What are you Reading?

Aggie in year 2 is reading 'A Natural History of Fairies' by Emily Hawkins and Jessica Roux. This is a wonderfully ornate book with beautiful illustrations. "This is a really nice book to read if you like fairies. It tells you about the different types of fairies, where they live and their relationship with plants and animals. I have read about the anatomy of fairy bones, their wings and how they camouflage themselves. My favourite page is the one showing the fairy alphabet."
