Dig Make Decorate Fire

Bernard Leach Pottery Workshops

All of this week staff from the Bernard Leach Pottery have been working with Class 3 to make items of pottery. The children first made their 'Slip' from St Austell China Clay. Then they had the opportunity to make 'pinch pots' and clay tiles. Next, they decorated their work. The children's pottery will now be taken back to the Leach Pottery to be fired in a kiln. This is quite a long process but we hope all the children's work will be returned by the summer holidays.

These workshops are part of the celebrations by the Leach Pottery to mark their centenary that took place in 2020. Nancledra School were lucky enough to be the first school to benefit from the workshops.

Ocean World Tickets

The Minack Theatre would like to clarify that anyone going to the theatre to watch Ocean World on 13 July must have a ticket, this includes any child that is going regardless of their age. With social distancing measures in place, ticket numbers are heavily reduced, therefore they need to ensure everyone entering the theatre is accounted for. Tickets are only available from the Minack Box Office.

Class 4 had a fabulous time at Carnyorth this week taking part in various outdoor activities ...

We would like to remind all parents to drive slowly and considerately in the lanes approaching our school. There are a number of our children that walk or cycle to and from school every day.

Do you need help with the cost of your child's school uniform?

- We still have access to some funding to support parents with the cost of their child's school uniform.
- You do not need to be in receipt of free school meals to benefit from this funding, but it is only available in this academic year.
- If you are interested please speak to Tracy as a matter of urgency on 01736 740409 or email secretary@nanctledra.cornwall.sch.uk

What are you Reading?

Bessie in Y3 is reading 'Planet Omar, - Accidental Trouble Magnet' by Zanib Mian. "Omar has moved house and now has to go to a new school. He ends up making friends with Charlie but also becomes the target of the class bully Daniel. Daniel deliberately spills dirty water over Omar's painting in art class, but inspired by the artist Picasso he adds some splashes of colour to it and the teacher thinks it is amazing. This book is exciting, funny and very hard to put down! You need to read this book to find out what other trouble Omar gets himself into."
