

## NANCLEDRA SCHOOL: PRIMARY PE & SPORTS PREMIUM STATEMENT 2020/21

**Key Indicators** - The Department for Education vision is that all pupils leaving primary school are physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport. The objective is to achieve self-sustaining improvement in the quality of PE and sport that delivers high quality provision of a balanced and holistic PE and school sport offer. There are 5 key indicators that schools should expect to see improvement across:

1. the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. the profile of PE and sport is raised across the school as a tool for whole-school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

**Accountability & Impact** - Ofsted inspectors will assess and report on how effectively this new funding is being used when making the judgement on the quality of the school's leadership and management. Schools are required to keep parents informed and publish plans for deployment of premium funding on their website and must include:

- the amount of premium received
- a full breakdown of how it has been spent (or will be spent)
- what impact the school has seen on pupils' PE and sport **participation and attainment**
- how the improvements will be **sustainable** in the future
- the percentage of pupils within their year 6 cohort for academic year 2020 to 2021 that can do each of the following:
  - swim competently, confidently, and proficiently over a distance of at least 25 metres
  - use a range of strokes effectively (for example front crawl, backstroke and breaststroke)
  - perform safe self-rescue in different water-based situations

Please complete the table below:

The total funding carried forward from academic year 2019/20	£3 020
The total funding for the academic year 2020/21	£16 950
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 meters when they left your primary school at the end of last academic year?	100%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	100%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	100%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	YES
