- Children will need to wear their normal school uniform.
- All children will need to bring with them: a packed lunch, healthy snacks and water to drink. and a backpack to keep all of these items in.
- They will be back at school before the end of the school day.

School Dinners - **ACTION REQUIRED!**

As per the text message that was sent out yesterday, Chartwells have changed the dates of the rolling 3-week dinner menu.

To action these changes ParentPay have had to delete the current menu. As a result any meals that have been booked for Monday 8th November have been deleted.

In school we have had to manually set up a new menu from 8th November onwards, which will be live later today.

- You will need to re-book any meal that you have ordered for your child. Existing bookings cannot be carried over from one menu to the next.

Reminder ...

Nasal Flu Vaccinations

On Monday we sent an email to all parents containing a letter from the NHS regarding the vaccinations taking place at our school on **Monday 22 November.**

To access the vaccine for your child you must register your consent using the link provided in the letter.

As stated in the letter, the unique reference number for Nancledra School is EE143016. If a consent form is not submitted your child will NOT be vaccinated.

Please contact the Kernow Health team direct if you have any concerns or queries about your child having the vaccine.

Also contact them if you are having difficulty accessing or completing the consent form.

We at school do not have access to the NHS consent form so are not able to help with any technical difficulties you may have.

Chess Club

I decided to set up a chess club to teach the younger children how to play chess.

Yesterday was our first session at lunchtime and it was really popular.

A lot of people have been inspired to learn chess ready for the tournament later in the school year.

What are you Reading?

Sasha in Y6 has just finished reading 'The Last Wild' by Piers Torday. This is the first book in The Last Wild Trilogy. In a world where animals no longer exist, twelve-year-old Kester sometimes feels like he hardly exists either. Locked away in a home for troubled children, he's told there's something wrong with him. So when he meets a flock of talking pigeons and a bossy cockroach, Kester thinks he's finally gone crazy. But the animals need his help and pigeons fly Kester to a wild place where the last creatures in the land have survived. "You need to read the book to see what adventures Kester has and whether he is able to save the animals and the wild. I found the book was a bit slow to get in to at first but it got more exciting as it went on. I would recommend this book to year 5 and above."

Christmas Play/Concert

Details of our Christmas play/concert arrangements for this year can be found in the letter being sent out with this week's newsletter. Paper copies will also be sent home with children today.

Please return the consent form to school by **FRIDAY 12TH NOVEMBER.**
