SCHOOL IS CLOSED ON MONDAY 1ST MAY FOR THE BANK HOLIDAY

Dear Parents & Carers,

As you may have noticed we are increasingly using digital communications (email, text messaging) to share information with you. We are finding that this works well for ensuring you are informed and that you can easily communicate with us. We are using less paper communications, for example, notice about sporting events and fixtures are now all sent by email.

Teachers are happy to receive communication from you by email and whilst it is usually best to have a face to face to chat about your child's life in school, many questions can be resolved by email.

I would like to ask, on behalf of the teachers, that emails should be sent during the working week please. I have asked staff to keep their weekends for themselves and to communicate and respond between Monday and Friday.

Leanne is always happy to receive constructive feedback on our school communications.

Thank you,

Yours sincerely

Rick Gill

St Ives May Day Celebrations

On Bank holiday Monday, May 1st, some of our children will be participating in the St Ives May celebrations. We will be meet at the Guildhall for the events commencing at Midday. There will be the usual town celebrations, including the choosing of the May King and Queen. We will then represent our school in the parade through St Ives. Maypole dancing will take place at the Guildhall, by the Lifeboat slipway and the outside the Sloop before we return to the Guildhall. The event usually lasts for a couple of hours. Any families who wish to join us in the parade will be most welcome. Children are encouraged to bring floral May sticks to carry if they wish.

Help Needed Please

Further to the advert we have displayed in our newsletter previously, Janet is still looking for people to host Basque Students (boys and girls). Please see further information below, and contact Janet if you are able to help as soon as possible.

Dear Parents,

As you probably know, Basque/Spanish students have been coming to your school for many years to practice English and learn about Cornwall.

We are looking for hosts for either 2 boys or 2 girls from 1st July to 15th July. The students are 16/17 years old and will be at various schools in the area.

I must say they are all well behaved and like mixing with families. Their English is quite good so you won't need to speak Spanish. The idea is for them to become part of your family and speak as much English as possible. The first week that they arrive, they stay with us so will know how to get around. They are not allowed to go out at night unless with the family or the group. They will need a packed lunch and eat with you.

We give an allowance of £25 a night per student which comes to a total of £700 for the stay. During these 2 weeks we organize some activities together but the principle idea is for them to be with the families.

Should anyone be interested in receiving information about Hosting two students as Paid Guests from 1st July to 15th July, please contact Janet Pearce at

Mobile 0034652768915 also by what's app

Or Email: kernoualles@yahoo.es

Hoping to hear from you so that we can give you all the details. (without obligation)

Yours

Janet Pearce
