SCHOOL IS CLOSED ON MONDAY 8th MAY FOR THE BANK HOLIDAY

Dear Parents & Carers,

Parent & Teacher Meetings - Online Appointment Booking

I would like to invite you to attend our Parent/Teacher Meetings on Monday 22nd —Friday 26th May.

These meetings will be an opportunity for you to discuss how your child is getting on at school and how they have progressed with their learning.

We will once again be using the online appointment booking system integrated with the Parent Pay website. This allows you to choose your own appointment times with teachers and you will receive an automated email confirming your appointments.

Our preference is for meetings to be held face to face however, we appreciate that in some instances an online appointment is more convenient. Therefore, we are offering pre-booked **video appointments on Tuesday 23rd and Thursday 25th May from 5pm-6pm** the other dates and times are for pre-booked face to face meetings. **Appointments can be made from Wednesday 10th May.**

Should you need any help to make an appointment please contact the school office.

Please visit <https://nanclendra.schoolcloud.co.uk/> to book your appointments. (Guidance notes on how to add appointments and use video calls are attached with this newsletter.)

You will need to login with the following information:

- Parent name and email
- Child's First Name
- Child's Surname
- Child's Date of Birth

Yours sincerely

Rick Gill

SATS– w/c 8th May

During next week our year 6 children will be taking their National tests (SATS).

Children will be well prepared for the tests by their teacher. We are proud of the efforts and hard work shown by our year 6 children this year, they are confident and positive about taking their tests. The best thing they can do this weekend is have fun and sleep well.

Please can we ask for your help in making sure that children arrive at school on time next week, this is to avoid any disruption to the rest of the class and to ensure that your child is not caused any unnecessary stress by being late.

Girls Football

It's been another great week for our Girl's football team who played in the semi-final of the Chloe Williams Memorial Shield against Bodriggy on Tuesday evening.

Both sides competed strongly and had chances throughout the game and after conceding an early goal Nancledra grew in strength as the match went on. Omelia scored the equaliser before half time leading to a second half with chances at either end. A final score of 1-1 meant the girls had to dig deep to keep fighting in extra time. Eventually, Ava broke free and ran half the pitch to power in the winning goal with a couple of minutes left on the clock. In the final seconds of the match Bodriggy had consecutive corners and a brilliant save from Kaiya in the last few seconds ensured the result for Nancledra.

This amazing team are now in two Cornwall finals which take place on Monday 15th May and Wednesday 17th May - both at Archbishop Benson School in Truro. We know the opposition will be Truro High School on the Wednesday CSFA Final and are waiting to hear who won the other semi in the Chloe Williams Shield.

May Day Celebrations

Thank you to all of the children and parents who danced and joined us in the parade at the St Ives May Day celebrations. Thank you also to Vicki and her team who taught the children and led them on the day.

Help Needed Please

Further to the advert we have displayed in our newsletter previously, Janet is still looking for people to host Basque Students (boys and girls). Please see further information below, and contact Janet if you are able to help as soon as possible.

Dear Parents,

As you probably know, Basque/Spanish students have been coming to your school for many years to practice English and learn about Cornwall.

We are looking for hosts for either 2 boys or 2 girls from 1st July to 15th July. The students are 16/17 years old and will be at various schools in the area.

I must say they are all well behaved and like mixing with families. Their English is quite good so you won't need to speak Spanish. The idea is for them to become part of your family and speak as much English as possible. The first week that they arrive, they stay with us so will know how to get around. They are not allowed to go out at night unless with the family or the group. They will need a packed lunch and eat with you.

We give an allowance of £25 a night per student which comes to a total of £700 for the stay. During these 2 weeks we organize some activities together but the principle idea is for them to be with the families.

Should anyone be interested in receiving information about Hosting two students as Paid Guests from 1st July to 15th July, please contact Janet Pearce at

Mobile 0034652768915 also by what's app

Or Email: kernoualles@yahoo.es

Hoping to hear from you so that we can give you all the details. (without obligation)

Yours

Janet Pearce
